Sir:

Noting the Office Action of June 8, 2009 having a one-month shortened statutory period for response set to expire on July 8, 2009, and the petition for a one-month extension of time up to and including August 8, 2009 being filed concurrently herewith, wherein restriction has been required, Applicants hereby elect Group I (claims 1-9) which is drawn to a method and device for chromatography separation, for prosecution in the above-identified application.

Furthermore, in response to the objections to claims 5, 6 and 9-18 under 37 C.F.R. 1.75(c) as being in improper form because a multiple dependent claim cannot depend from any other multiple dependent claim, Applicants hereby amend the claims as follows:
